

🔗 ONLINE PARTNERSHIPS:

Professionally produced online courses of approximately 60-90 minutes, featuring **videos** from top athletes and coaches, such as Phil Jackson, Doc Rivers, Julie Foudy, and Dusty Baker. Online course access allows an organization to give the **end-users the flexibility to complete the training at their own pace**, while providing a foundation in Positive Coaching for coaches, parents and student-athletes.

Provide a solution that features **proven, research-based tools** that can be **easily and immediately implemented**.

PCA's online courses are mandated by numerous national groups, including AAU and UIL (Texas High Schools), and they are endorsed by Little League, US Lacrosse, USA Rugby, USA Water Polo and American Youth Soccer Organization. The courses have rave reviews from users for their effectiveness and ease of use.

🔗 ONLINE PARTNERSHIPS INCLUDE:

Discounted access to PCA's three (3) coaching courses, parent course, and student-athlete course (Bulk pricing available)

One year of support and reinforcement tips, including:

- > Access to a specially designed Partner website that provides tools and resources
- > Informative and topical emails that provide ongoing reinforcement opportunities and continuing education
- > Support for specific issues that may arise
- > Tips on the best-practices from other partners
- > Course access assistance

Discount on PCA published books

🔗 TANGIBLE BENEFITS OF AN ONLINE PARTNERSHIP INCLUDE:

Increased retention rates and satisfaction among players, coaches, and officials

Increased participation in coach, parent, and leadership education

Increased number of **inquiries from other organizations** about "how you do things"

Increased number of **comments in the community** about how classy, kid-friendly, and well-run the organization is.

**POSITIVE
COACHING
ALLIANCE**
